Dear Property Owner:

Enclosed please find a copy of the New York State official Change of Assessment Notice for your property. Adjusting assessments to appropriately reflect market value shifts and physical changes to property inventory are required by the New York State Office of Real Property Tax Services and are typical in municipalities that maintain assessments at full market value. Please be aware that the Assessor does not determine taxes; that is the responsibility of each taxing jurisdiction (Town, County, School, etc.). Assessments are the mechanism that determine each taxpayer's share of the property tax levy each year.

The tentative assessment roll and assessment data may be found on our Town website (www.TownofMamaroneckNY.org). Please contact us directly if you have any questions regarding your 2024 tentative assessment. You have the right to challenge your assessment. Grievance applications, instructions, and procedures are available on our website under Property Assessment and can be mailed or submitted in person at the Town Center Monday through Friday 8:30AM to 4:00PM beginning June 1st and until June 18th.

Thank you,

Pamela Valenza

Assessor
