Helpful Hints for Searching the Attached Assessment Roll

The pages that follow are the assessment roll for the Town of Rye. It consists of ~3000 + pages, but is easy to search for a parcel.

To search for a property, in the find bar, type in a key word or phrase such as the first part of the parcel address, the owner's last name or part of the name, or the parcel ID (section-block-lot). Remember less is more--the more you type in, the more restrictive the search.

The find/search bar may be different for different browsers, but for most you can press the **[Control] key + the [F] key** and a search bar should pop up in one corner of the screen.

Here is an example of looking for Village/Town Hall at 222 Grace Church Street:

Type in [222 Grace] in the find bar and press [enter] and you will be taken to page 1191 of 2915 pages.
